We help people stay safe at home

*A FREE service for residents of South Snohomish County
including Lynnwood, Edmonds, Mountlake Terrace, & Brier*

What do we offer?

- Ways to make your home safer, such as grab bars, smoke alarms, and other life saving devices and equipment.
- We work with agencies, like Meals on Wheels, to make your day to day life a little easier.
- We work with you, your pharmacist and doctor to make sure you have the right medications and services you need.
- We provide support to you and your family.
