NEW TO ZOOM?

Follow these steps to get started

South County Fire offers free classes using Zoom, a free online meeting space you can access from home using telephone or a computer. You can also use Zoom to stay connected with family and friends.

3 quick ways to join a class or meeting using Zoom:

Join with an email link

The easiest way to connect!

If you receive an email with a link that looks like this:

> **Join Zoom Meeting**
>
> https://us02web.zoom.s/j/19283746511?

Click the active link (blue underlined text) to automatically go to the meeting.

If you can't click on the link, copy and paste it into your web browser (Google, Explorer, Safari, etc.) and hit enter.
