

# Fireworks Ban Neighborhood Toolkit

## Overview

Thank you for signing up to receive a fireworks ban neighborhood toolkit. Included in the attachments are the below items. Yard signs will be dropped off to the contact's address listed on the request form between June 24-July 1.

### Firework Ban Flyers

Flyers have been included about the ban that can be distributed electronically or door-to-door in your neighborhood. *Available in English, Spanish and Korean.*

### Frequently Asked Questions Handout

Included in the attachments is a copy of the FAQ about the fireworks ban.

### Newsletter Inserts

If your neighborhood has a newsletter, we have included newsletter inserts that discuss the fireworks ban. *Available in English, Spanish and Korean.*

### Printable Signs

In addition to the yard signs that will be dropped off, included are some window signs that can be printed off by individuals for the ban, signs about pets and veterans are attached as well.

CELEBRATE SAFELY

### Social Media Message

*(Follow South County Fire to share additional fireworks information)*

### Sample Message:

Fireworks are banned in all areas of South County Fire's service area. This includes SW Unincorporated Snohomish County and the cities of Brier, Edmonds, Lynnwood and Mountlake Terrace.

For fireworks and noise complaints, please report through the non-emergency phone line at 425-407-3999.

For threats to life or property, including injuries or fire, call 911. Stay safe this 4th of July!
